July 2016 Angus Australia BREEDPLAN

Traits: BWT,400WT,SS,FAT,EMA,IMF

Top sire prospect leading this group of yearling plus bulls. Hi Road has been a standout cow maker for us over the years with his daughters our best producers by far to the point that we have imported Hi Road embryos out of selected USA dams to enable us to continue his legacy into our female herd future. Dam V100 was a very consistent breeder with an excellent udder. A full sibling sold to Pinora stud i ...

Traits: BWT,400WT,SS,FAT,EMA,IMF

Moderate frame with loads of capacity, a strong head and good skin and hair type. Dam, B120 is a moderate framed, excellent uddered female who has produced consistently and so has now joined our embryo donor program. Grand dam Panda V2 was the mother of DSK Cliffy who was Grand Champion at Sydney and Canberra Royal shows and topped our 2009 DSK bull sale.

July 2016 Angus Australia BREEDPLAN

Traits: 400WT,SS,FAT,EMA,IMF

Good skin and hair type on this young sire and with a wide hip and hindquarter. Strong maternal pedigree with Hi Road and descending from L18 who was a calf at foot on a foundation cow for DSK who was successful around the shows and bred very well.

Traits: 400WT,SS,FAT,EMA,IMF

Another young sire showing length of body which we strive for in our program which is the reason for not using mainstream North American genetics. Dam, C166 is a Hi Road daughter from our top donor R9 and a full ET sister to one of our best donors, Martina v5.
