Judd J5 has been one of the most potent of the Angus breed. His sons in the sale phenotypically are attractive and even in type. In this year's sale groups, all Judd sons have passed every test, and none have been culled; such is his potency. As with M107, their data is consistently strong. If you are not a data person, you will still be impressed with their stylish looks. Top 1% on ABI, and Top 1% on all i ...
