Traits: BWT,200WT,400WT,SS,FAT,EMA,IMF,DOC

A standout in the younger bulls for growth, depth and softness. Plenty of width, very quiet and a very usable spread of data. Had the highest IMF of the entire draft with 4+ for fleck finesse. Full brother to Lot 4 and 13 and one that had a foot injury and did stud duties here.

**Traits:** BWT,200WT,400WT,SS,FAT,EMA,IMF,DOC

Great carcass bull that even the dingoes couldnt keep down. Length and depth with perfect temperament. From the powerhouse cow F28 who is also the dam of Lot 1. Sire G497 would be the thickest bull with growth that we have seen. Brother to Lot 15.
